Jt. D.C. competent to dispose of such cases now? If not, give him power.

It is not clear what the D.C. means by 'free grant'. I presume it to mean 'free of price' — Under Rule 47 the D.C. is competent to grant building sites free of price — What is proposed to be given is an agricultural land. & that for building a Masjid Perhaps the DC may accord Sanction under Section 39. of the LR code —

the site & it does not require the sanction of Govt.

The question whether the Construction of a Masjid on the spot may be permitted is for the Muzy. Dept to consider. If this sanction cannot be accorded on the records & report need before Govt, the above may be pointed out to the D.C.

The question raised by the D.C.'s is that of the free grant of land. He has not asked for permission to construct the masjid yet.

May the D.C. be replied that he under Sec. 39 of the L.R. Code, he is competent to sanction the grant?

Inv. File No. 738 of 19 !

Serial No.

Regards that there does not appear to be any objection to the grant of the site, and that by the term "free grant", it was not intended to mean more than the grant, the site free of upset price (after recovering the value of trees standing thereon i.e. Rs 2 with cesses).

Submitted for orders.

The site is said to be unobjectionable and the villagers agreeable to the grant thereof to the Mohemedans for constructing a Mosque. A Muchalka is said to have been obtd. from the Mohemedans that they will not object to the passing of Hindu processions in front of the Masjid.

Further the Dy Com[r] is competent to grant the site himself.

The file may be transferred to the Revenue Com[r] for disposal.
